Why Active Fixed Income in Today's Environment

JANUS

Go farther.®

The recent financial crisis and fear of continued underperformance has driven many investors to passive fixed income strategies.

Help clients understand the interest rate sensitivity and potential for lower yields that could result from investing in passive fixed income strategies.

Webcast: Why Active Fixed Income | [Register](#)

Webcast Presenters:

Gibson Smith
Co-Chief Investment Officer

Colleen Denzler, CFA
Senior Vice President and Head of Fixed Income Strategy

In this 30-minute [webcast event](#), we'll discuss:

-- Challenges facing the most widely used fixed income benchmark

- Higher interest rate sensitivity
- Potential for lower yields
- Likelihood of continued underperformance

-- Why we believe active management with an emphasis on corporate credit is the most prudent strategy in today's environment.
